

Bringing Quality to Life!

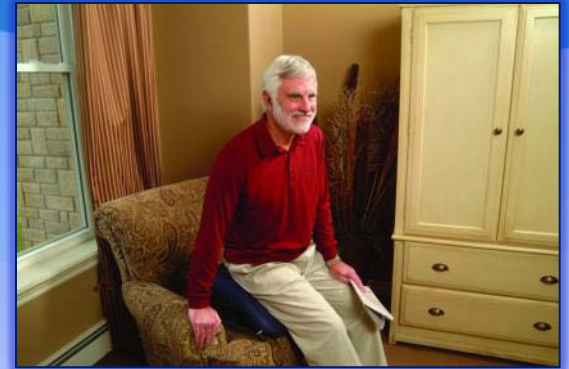

Uplift Technologies Inc. & the Silver Economy Summit

May, 2010

Bringing quality to life.

Objective

- To discuss how Uplift Technologies has been successful in identifying opportunities and bringing products to market in this silver economy

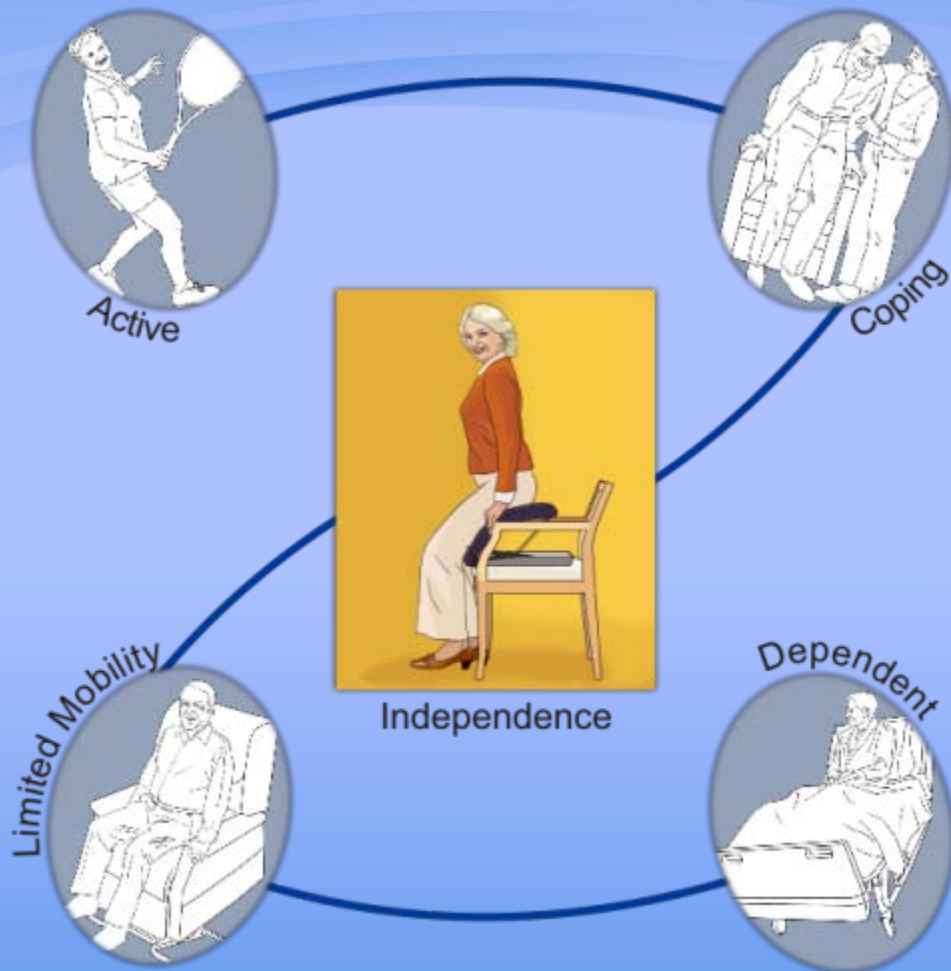

Bringing quality to life.

How Have We Been Successful?

1. Identifying a unique need
2. Creating a category

Identifying a Unique Need

On the Continuum of Mobility, **Lifting Seats** offer a sit-to-stand assistive solution that lies between coping and lift chairs.

Bringing quality to life.
